I agree with everything everyone who posted after me said, especially OCP (except about the boobs), I was just saying that I noticed alot of what Jedi said too.

Also, I didn't actually remember any of Jedi's posts specifically and posted before I looked. I did a seach and just found a bunch of drawings he colored. By the look of the posts, he should be happy with them, in my opinion (don't hit me

). Some people should try to restrain themselves though, just as a courtesy.
