I like a wide variety of art subjects and styles (although My favorite subjects are the standard female superheroes).

I make a lot of comments on the art posted on Heromorph (partly because I want people to comment on mine) and try to say something nice about most of it. Some pictures I don't make a comment on because I was taught if you can't say something good about someone (or something) don't say anything at all.

Lately some artists (I won't mention any names) have been posting a flood of pictures that to me they should be taking more time on and trying to improve. Flooding the galleries with "low quality or rushed" pictures just to be posting is wrong in my opinion

I will stop talking now before I get in trouble. As I said before I really like Heromorph and want to be a member of the site for a long time to come. The last thing I want is to get kicked off of the site.
