I am not conservative. I hate porn on principal. I don't much care for the real answer, but I hear most porn stars aren't very happy and hate what they've become.

adult oriented material is not porn...

some of what is posted in the members section is pornographic in nature, a lot of it isn't. And there is a HUGE difference between a nude model and a porn star.

I find it disappointing how few pageviews the comic art gallery gets compared to the others.

Especially the adult ones. 'I think you miss out on some great artwork if you don't frequent all aspects of the board.'

agreed, yet I've never allowed other peoples limitations to be a determining factor for how I conduct myself.
