Thanks darkwinteri hope to learn a lot here on all ways my hubby bought me those 3D progams as poser bryce carrara and anime studio pro also whe have daz and i think that magicalbooks are the greatest to learn to create your own worlds it,s my hobby from childhood off that i collect fairytales,myths,legends and all kind of other magic books.

With the programs most of the time I look like this  
but i,m learning
