ahhhh man, that does suck. my only suggestion would be to make the 3d downloads either seperate, not a part of the main site, maybe get rid of it altogether, and to maybe reduce the allowed max resolution from 2200x2200 to 1200x1200.

oh well, hope this works out for you

Great point indeed!!!! I agree 100%, if it means keeping the site up and runnin', let's reduce pic sizes!!!!

I Love this place!!! And I would hate to see the worst happen...

Good luck fellas and bellas...
