I never knew I was a 'lurker'! But I now assume that title is given to someone who doesn't upload images (?). Now, I've been a member for some years but 2 things - (1) lack of artistic skill and (2) arthritis - have contributed to my 'lurker' status. For those like me who love the site, can't artistically contribute and wouldn't want to see its demise, would an annual subscription (a 'Golden Lurker' membership) help in any way?

I've never had problems with nudity etc, thanks perhaps to my liberal european upbringing, and do not like having limited access (i.e. not to the Members' Gallery stuff). Some is art worthy, some is funny, some is downright silly (in my opinion}. In other words, it's probably a good mix.
