They are thieves. What a load of shit.

This people are such a buncha...

They probably don't even know what they are doing, probably that's why they don't sent the server records.

They better monitor us (something they probably never did), and if we are under our limit, let's see what they have to say then.

At least, a good thing came out of this: some of the lurkers realized they don't need to post images to participate on the site and started to comment more.
