That sounds cool. It's not like lurkers w/o membership really need to know who's who, right?  
I can tell you I'm doing my part to keep the band usage to a minimum. I used to spend all day 4 days a week at HM, flitting around the site, trying to see everything. But now I have, and now I have a new gotta-see-everything site to spend my time at. And I can't use the shoutbox anymore either. So I just keep up with new pics and the forum here, figuring that makes me a contributing member, then go nuts at the other site.

P.S. Don't get jealous, this other site is just writing, HM is still my goto for pics!
