well, my main issue with commissions, is that it has to be interesting to me, and it has to be doable....

sooo. yes, if anyone actually wants to PAY for my art, send me a pm. if you all just want something, that one day, sometime soon, i might get around to....well, pm me too.

(IE: requests are a low priority, but their free, while commissions are a high priority, but their not free.)

if you do want a commission, unless its bugging hell difficult, i wont charge more then 10 dollars.
