WOW!!!

I don't know what to say..

Thanks to everyone that voted for me, I really didn't expect to win this, I was just having a load of fun trying to be part of this. I owe a large thanks to the REAL Nightmother, without her help and support I never could have done this.

I also want to thank everyone who took part in the Smackdown, we are all winners in my book.

I will have to get back to you on the prize, right now I am just happy to have been chosen as the winner, I look forward to the next Smackdown and I hope that we can have a great turnout and really outdo the last couple we have had.

Well, thank-you kind sir and congrats on your fine win.

I too am looking forward to the next one and already have some ideas to join you again in all the fun.
