I asked Dar about the story and he said it would be okay. He hadn't actually seen it yet, but I sent it to him yesterday. Hopefully he checks his hotmail inbox more than his HM inbox, I still haven't heard from him on a PM from 3 weeks ago!

I guess he has more mail than me. Or more of a life.

D_W thinks the pic should reach him in time, so no, I am not asking for a replacement. Thx though.
