They've got a Supergirl manip of mine there as well and although my signature is visible below the picture it says "sent in by Supergirl Forever". That doesn't really make me feel like I'm getting credit for my work. I'm going to contact them and see if they will acknowledge me as the artist [like they did for r-o-c-i-n-a-t-e]...if they have a problem with it I'm gonna push the issue.
