so mc i gather from your last post ..that it will just be female models....thats cool and all..but being a 3der who does'nt always do cute and fluffy or fetish type pics..hell i think me and ubald and maybe 2 or 3 others on this site actually do pics other than fetish and pin ups .even thou i've been doing more so lately ..just to get people to look at my stufff.but i think it would be cool to have more options thats all i'm saying
