i think its the one thing that got me to stop reading mainstream marvel. not even the fact that joe q hates redheads for some reason, but the fact that after this f\*\*king retcon, over 20 YEARS of history is now bye-bye!

oh, and we dont have to explain how it all works cause of mother f\*\*king MAGIC!!!!

my hate for joe q's marvel is multiplied by the horrible job Jeph Leob did on Ultimates 3. i hope like hell marvels investors fire both of them. This pretty much sums up my feelings on the matter too. "Sorry to make you read for the last 2 decades." What a douche! Well, we always have hundreds of back issues to read...
