Well 6 people are interested, all artists.

Given the lack of interest I suggest we sideline the 'Dodge and Burns' for a while - unless some more people want to give their opinions?*

We would also need a moderator's commitment to help set up the polls for voting and we haven't heard from any of them.

Anyway we're all winners because we take part in something enjoyable that really gives back to the community**.

As The Sphinx said: "We are number 1! All others are number 2, or lower."

* That's opinions on awards, not your opinions on Roswell Porn, farting, yoghurt manips or wrinkles.

** Unfortunately the community didn't really <I>want</I> Roswell Porn, farting, yoghurt manips or wrinkles.
