Well the wife seems to be better so I guess it was my turn to get admitted to the hospital. They say I had a heart attack Wednesday night. I am writing this from a hospital bed. Been in here 4 days and am losing my damn mind ;)

Love the new look as usual guys you did a great job. Well they're here to take my blood again (damn vampires) talk to ya lata.

5 reasons to get out of the hospital ASAP:

- 1) the food they serve you is enuff to make the Tazmanian Devil puke.
- 2) The clothes they give you to wear are s-o-o-o-o-o skimpy, you'd be underdressed in a nudist colony!
- 3) The pain they force you to endure is no fun.
- 4) Nurse Ratchett
- 5) The bills are so high...even Bill Gates can't afford to pay them!

Do you need us to pull off a commando-type raid and get you outta there? Just say the word...AND GET WELL SOONEST!!!!!!!!!!
