You can remove these if you like:

<http://heromorph.com/heromorph2/modules/myalbum2/photo.php?lid=526>

<http://heromorph.com/heromorph2/modules/myalbum2/photo.php?lid=522>

(too amall, don't have larger versions)

<http://heromorph.com/heromorph2/modules/myalbum2/photo.php?lid=3404>

<http://heromorph.com/heromorph2/modules/myalbum4/photo.php?lid=861>

(not very good; like any of my stuff is 'good' [but at least acceptable to me]).
