Tyler, right about now I feel the weight of that comment. Considering I'm about to be 34 and I've had to see giants pass away like Weringo, Hunter S. Thompson, Robert Jordan, and Gary Gygax.

As far as Clarke. Though I've never had occasion to read his writings, I've heard the name and recognize his accomplishments. I'd imagine to some a centerpoint in their life just gave way. I feel for you.
