hmm...I don't get it. I don't see the difference at all....

Were you recently castrated?!

I am not a fan of the members gallery, or scantily clad females just to get you guys whipped into a frenzy, but I also want the old Lady HM back! SHE was hot, but she also looked cool and actually looked like a real life hero, not one of those 1930's people that get made fun of nowadays. Anyway, that was pretty funny.
