OK since everyone is coming clean I have to get this off my chest...Jr. and I are in now way related!!
There I feel so much better now!!

On a lighter note, I also have to admitt that I am in fact an Elvis from the planet PZ7 in the Bullshit Nebula. I have come to Earth to steal all of its peanutbutter and banana sandwiches. So if you will just send all of your peanutbutter and bananas to me I will not have to torture you with my singing!! If my demands are not met within the next 24 hours I will take iver all of your satalites and force you to watch Jr. and Blurr bumping uglies after they both drank to much and picked each other up from the bar and had wild man love in the parking lot behind the dumpster.
