I think all of you still don't believe that Vampire Lover and I are the same person.

This is unfortunate.

Apparently I picked a bad day - April Fool - to reveal this shocking news. Bad timing on my part.

Have you noticed that there have been no new postings from "Vampire Lover" since I made my announcement? No new Garrett Blairs, no new stories, no comments. Nada. Zip. Zilch.

Strike anyone as strange?

So now I'm going to go off and be "VL" a while, and post some more GB's.
