I'm in (even though I was not listed in the thread about this at C2F. *Humph!*), but I'll be out of town starting Friday until July 5th. Any idea on a deadline?

Also, a few questions:

- 1- Where's the voting going to take place, there or here? Or both?
- 2- Who chooses who works with whom?

I think we should define the subject matter a little better, to.

"*the suggestion so far is rivalry or cooperation*" is a little vague, don't you think?
