the HM store is still open. you click the link for downloads at the top of any page on the site. or the HM Downloads icon. on the left of the page.

Our old cafe press store that had t-shirts and coffee mugs is closed because after 4 year and zero sales we didn't see the point so it is gone and has been replaced with our digital content and download area that has free items and some content for sale.

you can also use this link.
