A favorite game in Florida

It's time to play "Find the Canadian!"

This week's challenge is especially difficult.

View the attached candid photograph and use logic to locate the clues that will let you 'Find the Canadian!'

Do you have the skill?

Do you have the ability?

Do you know enough about your Northern Cousins?

Can You FIND THE CANADIAN?

Taking notes is permissible but try to limit your time to no more than 5 minutes!

Good luck.... Eh. HAHA
