hey Morphites,

just got home from seeing Iron Man and it is quite entertaining, and yes, it does use the Sabbath song for the end credits. contrary to the rumors, Hilary Swank did not appear in the film as Black Widow, though SHIELD was introduced. apparently, the sequel is set to come out in '09 or '10. so perhaps she will appear as Ms. Boronova in that. anyhoo, the film was decently paced with just the right amount of humor and drama and the action is pretty kickass, including the final fight. (I won't spoil it for those who haven't seen it yet.) in short, it is worth the money and Robert Downey is a decent Tony Stark. enjoy and let me know what you think. peace, love and Juju Beans as my friend likes to say. ciao.
