One of the long forgotten traditional (well not really they only were popular for a couple months until Jr had one)

that has long been forgotten was our artist duels.

Well I am feeling like being saucy so I figured I would get my ass kicked.

Mikey, Bio, buddy.

I challenge you to a duel!!!! Bwahahahahahahaha

for those of you that do not know about Heromorph artist dueling the rules are here

we will need three judges that are impartial to myself and Mike so if you wanna be a judge feel free to sign up.

Well Mikey, what do you say, think you can take the big dog on?

You have always been a bit of a saucy wench, but as to the prediction of ass kicktion, I say you had best be wearing your sturdy pantaloons. For I will accept your challenge. Verily I shall soon announce the weapons by which you shall meet thy doomethist... ness
