Interesting duel... I know what I would do if it were me competing.

You have three judges already so you're all go.

Though I think Bio you choose the weapon but the judges pick their own criteria.

Good luck to both! (or bad luck to both... as long as it's even)

Thanks CP, I wish I knew what I was gonna do.

Also there is a link to the rules in Hawk's post if you or anyone wants to take a look.
