Well, the only thing about this is that since I challenged him, Pete gets to pick how. So if he wants shiny latex at 20 yards, so be it. You should have a little more faith in me, I think I can take him. I will hit him with my Latex-Fu, his Kung-Fu is weak and will be destroyed, besides I am the older Perv here and that youngster hasn't had the time to learn all the demented and pervish things I have...well that is unless he has been hanging around Jr.!

If that is the case I am toast!!

Here is a link to the rules for Artist dueling, just in case you want to challenge someone.
