Sorry guys, I feel like I let you all down. I think what messed me up was, after I did the story I went back and re-read the rules, it turned out that what I was going to do with the cosplay pic didn't work. I simply ran out of time to do something else.

Alex submitted a great piece, and he was a lot earlier than me, it wouldn't hurt my feelings at all to let him have the prize.

I'm surprised more folks didn't seem to want to enter this.
