The tri-athlon sort of fizzled. I didn't enter because an image from me was one option as a prize. I now have some extra time on my hands.

But, completely unauthorised, I am launching the Heromorph One-athlon! Tadaaaa!

The rule is simple, you post in this thread why I should make your request. At the end of the month I will choose one, make it and post it in the gallery.

The catch: you are trying to convince me to make the image for someone else, not yourself. Tell me and everyone else here why 'X' deserves it (so hopefully you will be requesting something they will like).
