Sorry DW I don't want you as a judge, my pic may or may not be a members gallery pic (it's a secret). If it is an adult pic I would be a fool to allow you as a judge because you already hate them (on the other hand if Dar did a members pic and I got your vote because mine was non-members I wouldn't want to win like that).

OCP, Wolf and WH I have no problem with any of you as judges... over to Dar, if he can control his trembling enough to type!

OK by me...let the artistry begin!
