Hey, that wasn't condemnation, I just remember the last Smackdown!

Did everybody else forget? I mean, I know Bio might have been a bit traumatized with Mike blowing up, and I forgot how many people Blurry 'poked', but the rest of you ought to have memories! Or were you all blind after Virtue's pants dropping?

Btw, Hawk, you meant Dar was the porn star, right? Because I got that from the same manip everyone else saw.

And Chilly, I thank you for the courtesy. I always knew you were a great guy.
