Looks like some of our C2F counterparts have some issues with RL infringing on their hobbies (don't we all).

So... HURRY HURRY SIGN UP NOW!! OMG!!.

No, seriously. sign up, its O.K. This _is_ going to happen... eventually. As much as we would like to accommodate everybody's schedule , perhaps we could start passing that hat around for those who have chimed in already?

That way us joiners get an unfair advantage.
Sounds fair no?
