First off I would like to thank Bio for that wonderful introduction. I would like to thank all of you at HM that voted for me and I have a prepared statement... As head in charge of not much really to add, I would like to say that Bio and Hawk, you are both great artist and I am glad that I am not judging this event. Furthermore I wish to go on record and congratulate them on their pending nuptuals at the Gay rights parade in San Fransico later this month. It takes real currage to come out of the closet like you have and I am sure that all of us here at HM wish you both the best and hope that you find real happiness in each other arms!
