Lets see we have:

Tyler, Jr., and Chilly as the judges. Thanks for agreeing to have your sensabilities assaulted and your morals challenged by the deparavety the three of us will unleash upon you. There is no turning back, you have now started a voyage that will leave you all changed men, well everyone but Jr., he is as demented as we are.

To make things more interesting as the instigator of this challenge I will offer a \$25 gift certificate to either Daz studio's or Renderosity for the winner.

Now I really have to step up or pay up
