OK Firestar in her costume would be cheating, since it has already been done, but to do a Firestar in lingerie would not be cheating since I will have to show enough of her costume elements to show who it is without actually using the outfit. Just wait until VL sees this you will be in for it!! VL!!!!

HAWK IS BADMOUTHING FIRESTAR!!!!!! So there
Hawk!

That's not all He's done, MasterChief. Last night, He went and locked 4 of Jr's sheep in here...AFTER forcing 10 pounds of prunes down their gullets. So, you can guess what kind of mess I gatta clean up. Winterhawk: The abuser of Jr's poor, innocent sheep.

PS...I do not want a picture from you, MC...let someone who's done more around here have it...like Miss Vee...Cyanure...DragonDack...BikerBot...you know, the ones who really do a lot of stuff around here; not just lurk and loiter.
