Hey everyone,

I was just over at the c2f boards, and so far the turn out over there is not as good as ours. Most of the guys over there are a little worried about the deadline and they don't think they have enough time.

So far it looks like they have 9.

MysticMorgan

Shaylinn

Jedi Master Khalel (no e-mail address, posted)

And we have 12.

Dark Knight

Matrixblur

Flux

Divine Monkey

Brick

Aharmona

Winterhawk

Tazman

Troublebot

Batmic (no e-mail, given to Max)

Bad Dog (no e-mail, given to Max)

What happens if our numbers don't match up and we outnumber them, who gets the cut, or do we instead make a couple teams of three. Also considering they all seem to want a little extra of a time frame, I think, in the spirit of co-operation we should probably extend it a bit.

So Mildly-perturbed-Max, What's Up???
