Jr./ IF you made an image once in a while you might be able to say that, but what have you made lately? It appears that there might be a new king of Fetish and his name is MASTERCHIEF!!
I thin we need to rename the fetish funhouse to reflect this change in leadership also

See, there it is... Delusion. A good teacher does not have to produce anything when he is teaching. It is all in the knowledge of the subject. And my friend, I have taught you well. Production does not show my craziness! :makes freaky scary eyes: And you my friend, do some pretty tame "fetish" stuff. Ooooo... Latex... Shiny. We need to work on this. Once you graduate Kindergarten and start in on your true training of Mental FUBAR, you shall stay just MC. Nothing more. You are still on the Good side of the force... Not to worry... we can get you to the dark side with ease. Yooouuuuu Hooker!

Now, where is my new WACOM tablet... I'll show this Shrek looking SOB what "Fetish" is..... one of these days.

nOOB.
