Wolf you have NO idea how bad it will be this year! Last year my character was only interested in getting laid and dominating all of the female contestants. This year with Domino, I plan on opening the floodgates of mayhem and mass destruction on the playing field. WMD's will look like a day inside playing with legos when I am done

HAZMAT team hell! You better call in a NEST team, a SWAT team, a NARCO team, get city sanitation on standby, along with the San Diego Zoo's cage cleaners union...hell you better call Ghostbusters too just to be safe

OK...The regional Nuclear Explosives Search Team is on standby-by...a Special Weapons And Tactics team has been alerted...UN's Narcotics' Commission is off-line at the moment...the others are en route...Maybe I should also alert GSG-9, the SAS, and the Shin Bet? What do you think???

And as for how bad it will be...I was here for the first one...I was there when 'Hawk and Dragondack went mano-a-mano over a chance to be BikerBot's 'Beyotch for a Day'

Don't tell me I don't know how bad it's gonna be!!!!!!!
