GLUE!! Someones sniffing glue and isn't sharing!!!??? Where is he...I will glue his nostrals to insole of my combat boot, that will teach them to bogart the glue!

See I played by my own set of rules last year and had everyone wondering what the hell I was doing, but this year I plan on making people wonder what the hell I am on! I have my characters made I just need to get the word to start and I will be running a million miles an hour in one place...Wait that isn't right...Oh hell...you know what never mind I don't know what the hell I am saying....I'm out of here I know someone is hiding beer around here somewhere I am going to find it:beer:
