kind of a reporter in the field kind of thing. With your humor it would be hilarious.

That's so funny. I was just thinking last night that there should be some impartial, pre-determined character as a host for the show, kinda like the asian chick on Big Brother. With a render or two of someone commenting on the proceedings every round it would make it easier for the coordinators to compile it all into a coherent story. A field reporter would fill that role nicely. Maybe Lois Lane or Cat Grant.
