Okay, all 3 entries are up.

I'm not going to give any reasoning or critique... my vote goes to Peter Cotton.

Although I'm not a judge in this duel, I'm going with Skurge on this one. That piece He has up is just so much more intence than PC's or MC's.

BTW...MasterChief? You are to report to the messhall, for 2 weeks of KP...U R restricted to quarters for 1 week...and no beer for two months! YOU LET ME DOWN, BRO!!!
