actually, MC, is a little behind the times and it seems is in need of reviewing the posting policy himself.

Photo based artwork that has hardcore material is no longer allowed to be posted in the members gallery here at HM, this is due to our move to a new server.

(There are rumors of a gallery that is not accessible by the general population of Heromorph where these images are still allowed to be posted.)

You are allowed to post photo-based images that contain nudity as long as they do not contain a sexual act in the members gallery (IE. Pin-ups)
