Well Heromorph is five years old that is something special!

Stay tuned over today and all this week for contests, prizes, and specials that will be coming your way as a part of the birthday celebration.

As part of the b-day celebrations we already have a thread going to show how people arrived at the party. here

in this thread I would like to see what happens during the party. and because this is my birthday nudity will be allowed in this thread for all you perverted perverts. Because what is a birthday if you aren't in your birthday suit.

Also anyone feel free to share any funny or memorable Heromorph story in this thread as well!

In a few days I will pick my favorite image from both these threads and give them a prize.

Party on!!!!
