CapFan wrote: Jolie could do a very good job playing Catwoman, I think especially if she uses the same sultry voice she did in Beowulf (yes, I mentioned Beowulf). We already know she looks hot in black leather and with a wip (Mr. & Mrs. Smith) so she could deffinetely play the part.

Mark Hammil would make an excellent Joker, but he is to old for the part.

Yeah, Hammil is way too old to reprise the Joker...He's what, mid-to-late 50's? Definetly too old.

And, Mlle Jolie carried a whip and wore leather in "Mr & Mrs Smith"? Hmm...I guess I'll have to check that one out...
