I need to apologize to people for some of the comments I have made, mostly in the Adult Gallery. It has been pointed out to me that when I state that a piece of art is "not my thing" (even though it is only my opinion) that it can have a negative effect on the artist. That was not my intent and I will refrain from that type of comment from now on.

I have tried lately to comment on as many of the posted images as I can and in doing so I may have made some comments that bother or offend some of the people. If this is the case I am truely sorry.

I enjoy looking at all of the posted images including those in the Members Gallery. Some of the best artist post their work in that gallery and even though I may be a little bit of a prude when it comes to some subjects I will not impose that on anyone else anymore.

Once again I am sorry for the "not my thing" comments on anybody's art.
