I need to apologize to people for some of the comments I have made, mostly in the Adult Gallery. It has been pointed out to me that when I state that a piece of art is "not my thing" (even though it is only my opinion) that it can have a negative effect on the artist.

Add a "Me Too" to what Winterhawk said on this. I have no problem with someone simply stating "Huge Boobs aren't in my tastes", but a "Dude! WTF are you doing with her tits?" thing can get annoying

So, If i haven't said it before, thanks for all your posts on my 'art' (I'e never taken anything you had to say in the wrong manner).

Because of this, this weekend I'll try to go through each gallery and put at least one comment down on an image that I like
