BHM, I think you need to step back and think a moment. Your comments, are they honest? Yes. Are they meant to be mean? No. Are they just your opinion? Yes. Does the artist need to realise this? Yes. Does he need to either accept it as your opinion or grow a thicker skin? Yes. If they cannot, is it your malfunction? No.

In other words you are doing nothing wrong. Get over it. Your friends take you for what you are. Anyone else is not worth the effort.
