Ok, I am back! Now, just so I'm completely up to date:

- I've been contacted by my counterpart. Deadline is August 8.
- How we vote has not been decided/set up/whatever. Hawk, I don't like the idea of using the HMorph rating system because it is way too easy to compromise. So-Email votes, Max? something at C2F, perhaps? (Ask for Essex...)
- Anything else?
