You're back?

And you have a counterpart? Things are in worse condition than we thought Batman!

I have been looking around for a free poll but the all tend to give a limit of 10 choices (as luck would have it we have 11 teams, hmmm... maybe I could assassinate a team...).

I quite like the idea of emailing in your votes. Then maybe people could vote twice? Best teamwork and best overall manip.

Max - I'm in two minds about this...no I'm not!
